VICE-RECTOR'S BULLETIN - Faculty of Arts and Science

JANUARY 1978 - No. 2

ACADEMIC YEAR 1977-1978

FOR YOUR INFORMATION ...

DR. S. CASEY has been appointed Chairman of the Department of Classics. His mandate is effective January 1, 1978 to May 31, 1980.

DR.E. PRICE has been appointed Chairman of the Department of Political Science. His mandate is effective December 1st 1977 to May 31, 1981.

DR. R.M. ROY has been appointed Chairman of the Department of Biology. His mandate is effective December 1st 1977 to May 31st 1981.

DR. B. SAHNI has been appointed Chairman of the Department of Economics. His mandate is effective January 1, 1978 to May 31, 1980.

DR. RODERICK TOWNSHEND has been appointed Chairman of the Department of Chemistry. His mandate is effective January 1, 1978 to May 31, 1980.

DR. CARLO FONDA, Department of Modern Languages, has been appointed corresponding member for Concordia Faculty of Arts and Science to the Humanities Research Council of Canada.

FACULTY ACTIVITIES

DR. P. ACHESON (TESL Centre)

- i) presented a paper entitled "English as the Second Language in Quebec: A Teacher Profile", (co-authors A. d'Anglejan, I. de Bagheera and G.R. Tucker), at the Eleventh Annual Convention of Teachers of English to Speakers of Other Languages, held in Miami, Florida, in April 1977.

  ii) presented a paper entitled "English as a Second Language: Canadian, British and American Models of Teacher Preparation", at the Eight Annual Symposium of the Canadian Association of Applied Linguistics, Banff, May 1977.

  iii) presented a paper entitled "Reading for a Reason: Commercial and Teacher-Developed Reading Materials for the Intermediate ESL Student", at the Eleventh Annual Conference on English as a Second Language, held in Toronto, in October 1977.

DR. J. AHMAD (Department of Economics)

- currently acting as a consultant on Trade Policy to the Inter-futures Research Program of the Organization for Economic Co-operation and Development (OECD) in Paris, France.

DR. F. ANTOLIN (Department of Modern Languages)

- has been elected member of the Executive Council of CALAS (Canadian Association of Latin American Studies) for the period 1977-1979.

DR. PAUL BABARIK (Department of Psychology)

- i) presented a paper entitled "Survival of the Finest: Mental Health Made Positive, Distillations A to Z from the life and work of William Line (1897-1964), First Canadian President of the World Federation for Mental Health", at the World Federation for Mental Health World Congress, Vancouver, August 22, 1977.

  ii) presented a paper entitled "What do THEY really want?" A survey of Psychology Major and Honours undergraduate Preferences and Aversions for the Organized Fields of Psychology", at the Canadian Psychological Association Annual Convention, Vancouver,B.C., June 9, 1977.

ASSISTANT PROFESSOR LOIS BARON (Department of Education)

- i) presented a paper entitled "Between the Child and the Tube - The

FACULTY ACTIVITIES (Cont'd)

ASSISTANT PROFESSOR L. BARON (Department of Education) (cont'd)

Educational Implications of Television Viewing Patterns of Young Children" at the National Association for the Education of Young Children, 1977 Annual Conference, Chicago.

ii) was the coordinator of Education Week, a 3-day series of lectures, seminars, and media presentations held from October 31 - November 2, 1977.

DR. JEFFREY I. BERNSTEIN (Department of Economics)

- published the following papers:

i) "A Noncooperative Model of Public Investment and International Externalities", International Economic Review, Vol 18, No. 2, 1977,

ii) "A Note on the Arrow-Kurz Model of Public Investment", Journal of Economic Theory, Vol 14, No. 1, 1977.

iii) "Household Behavior and the Demand for Money", and "The Firm and the Demand for Money", in Monetary Theory and the Demand for Money.

iv) "Optimal Portfolios and the Term Structure of Interest Rates", in Contemporary Issues in Economics.

v) "Consumption, the Term Structure of Interest and the Demand for Money", presented at the American Economic Association Meetings, New York, December, 1977.

DR. P.H. BIRD (Department of Chemistry)

- presently on sabbatical leave at the Institut de Chimie, Université Louis Pasteur de Strasbourg, Strasbourg, France.

published the following papers:

i) "Reactions of u-Diphenylethyne-hexacarbonyldicobalt with Bis (diphenylphosphino) methane and Bis (diphenylarsino) methane. Crystal Structures of (tolan) (dpm) - Co_2 $(CO)_4$

FACULTY ACTIVITIES ...

DR. P.H. BIRD (Department of Chemistry)

and (tolan) $(dam)_2 Co_2 (CO)_2 \cdot C_2 H_4 Cl_2$", (with A.R. Fraser and D.N. Hall), Inorg. Chem., 16, 1923,(1977).

ii) "Five-Coordinate Titanium (IV) Complexes. Infrared Spectral Studies on X_3 Ti (diketonato) and XY_2 Ti (diketonato) Complexes and the Crystal and Molecular Structure of Di-u-chloro-tetrachlorobis (2,4-pentanedionato) dititanium (IV)", (with N. Serpone, A. Somogyvari, and D.G. Bickley), Inorg, Chem.,16, 2381, (1977).

DR. D. BROWN (Department of Classics)

- presented a paper entitled "Curves to Rectangles: A diagnostic Characteristic of the Middle Horizon in Pre-Columbian Peru", at the joint meetings of the American Philological Association and the Archaeological Institute of America in Atlanta, Georgia, December 1977.

ASSOCIATE PROFESSOR R.T. COOLIDGE (Department of History)

- published an article entitled "The Medieval Ancestry of Thomas Jefferson", in the Annual Report of the Monticello Association, 1977.

DR. B.D. CZARNOCKI (Department of Sociology)

- i) is chairman of the CSAA-ACSALF Organizing Committee for scholarly exchanges between Canadian and Polish social scientists. (CSAA - Canadian Sociology and Anthropology Association), (ACSALF - a parallel, but different, French Language association of sociologists and anthropologists). The first symposium of this organization took place in Poland last May.

ii) within the programme of Symposium, he presented the opening address and a methodological paper on"Use of Time-Series Analysis in Historical Studies".

iii) presented a paper entitled "Social Change in Post-War Quebec: A Comparative Analysis of Quebec and Ontario, 1950-1974", (with Professor G. Caldwell of Bishop's University).

FACULTY ACTIVITIES ...

DR. B.D. CZARNOCKI (Department of Sociology and Anthropology) (cont'd)

iv) presented a paper entitled "Some Reassessments of Positivist and Interpretative Sociologies Arising from European Social Thought", at the Inter-University Centre for European Studies, on November 24, 1977;

v) presented a paper entitled "Mapping-out Some Problem Areas in Today's Sociology" to sociology colloquium, November 28, 1977.

MR. MAHMOUD DHAOUADI (Special Lecturer, Department of Sociology)

- published an article entitled "The Problematic of Cultural and Civilizational Influences" in Arabic in Elfikr, May 1977 in Tunis.

PROFESSOR J.G. DICK (Department of Chemistry)

- i) presented a paper entitled "Non-Ferrous Metallurgical Consulting", at the 15th Canadian Conference of the American Foundrymen's Association, October 6, 1977, in Montreal;

ii) was the Invited Speaker for the Analytical X-Ray Spectroscopy session of the 24th Canadian Spectroscopy Symposium, October 23-26, 1977, Ottawa, Ontario. The title of the paper he presented was "The Determination from Aqueous Media and Evaluation of some 300 XRF Interelement-Effect Correction Coefficients";

iii) was the co-chairman and discussion leader of the Analytical VI Session of the 24th Canadian Spectroscopy Symposium, October 23-26, 1977, Ottawa, Ontario.

DR. MICHAEL A. FAHEY (Department of Theological Studies)

- i) organized and attended the "Seventh International Congress of Jesuit Ecumenists", in Frankfurt, Germany, August 24-30, 1977;

ii) addressed the North American Academy of Ecumenism, Montreal, September 30th, 1977;

iii) published an essay on "The Ordination of Women: A Catholic Perspective" (Paulist Press, 1977), and an article entitled "The Ecclesiology of Karl Rahner", in Theological Studies, Winter issue, 1977.

FACULTY ACTIVITIES...

DR. B. FRANK (Department of Physics)

- published an article entitled "Integral Representation for the Spin 1/2 Ising Ferromagnet", (with O. Mitran), in Solid State Communications, Vol. 24, p. 343, October 1977.

MRS. A. GALLER (Coordinator Library Studies)

- chaired a panel of professional librarians and library technicians on the topic "Library technicians - why hire them?", at the annual convention of the Canadian Library Association held in June 1977, in Montreal.

PROFESSOR MARC GERVAIS (Department of Communication Studies)

- successfully defended his doctoral dissertation for the Université de Paris (Sorbonne). The title of his thesis was "La dialectique de l'ouverture dans le cinéma contemporain: recherches sur "Bande à part" de Jean-Luc Godard".

ASSISTANT PROFESSOR ARPI HAMALIAN (Department of Education)

- presented the following papers:

i) "National Integration in Multi-Ethnic Societies: the differential role of schooling and non-formal educational agencies",at the Third World Congress of Comparative Education Societies and of the Comparative Education Society in Europe, London, June 27-July 2, 1977. She also participated in two panels organized by the French and German sections of the Congress.

ii) "Pupil Control Ideology: Comparative Perspectives - Canada and the United States" which were the two topics the Learned Societies Conference, in New Brunswick, Fredericton, June 1977. She also chaired three panels.

iii) "The Effect of the Political Education Curriculum and the Political Knowledge/Literacy on the Political Socialization of Students: A Case Study of Bahamian Students in Montreal", with Ms. Pandora Johnson.

iv) has been elected to the Editorial Board of the Canadian and International Education, for the period 1977-1981.

FACULTY ACTIVITIES ...

MR. MARVIN HERSHORN (Lecturer, Department of Political Science)

- was invited to Humber College in Toronto to address the President's Book Club. He reviewed Jean Provencher's book Rene Levesque.

ASSISTANT PROFESSOR STEPHEN HLOPHE (Department of Sociology)

- published and presented the following papers:

i) "Education and Politics in Liberia and the United States: A Socio-Economic Comparison of Colony and Colonizer", Moja: A Scholarly Journal of Black Studies, New Series, Vol. 1, No. 1 (Spring 1977), pp. 55-71 (with Dr. Randle Nelsen)

ii) "The Crisis of Urban Living Under Apartheid Conditions: A Socio-Economic Analysis of Soweto", Journal of Southern African Affairs, Vol. 2, No. 3, July 1977.

presented the following papers at learned meetings:

iii) "A Class Analysis of the Politics of Ethnicity of the Tubman and the Tolbert Administrations in Liberia", at the Ninth Annual Meetings of the Liberian Studies Association at Western Illinois University, Macomb, Illinois, March 31st-April 8th, 1977.

iv) "Foreign Ownership, Ruling Family Oligarchy and Indigenous - Liberian Technocrats: The Impact of U.S. Involvement in the Underdevelopment of Liberia,"at the Third World Conference in the University of Nebraska at Omaha, October 27-29th, 1977.

DR. WILLIAM H. HUBBARD (Department of History)

- participated in the following conferences:

i) "Quantification and Methods in Social Science Research",held at the University of Cologne on 10-12 August, 1977.

ii) the Columbia University Seminar in Economic History on November 3, 1977.

presented a paper entitled:

iii) "Determinants of Illegitimacy in Styria 1880 and 1910",at the Second Annual Convention of the Social Science History Association held at the University of Michigan on October 21-23, 1977.

FACULTY ACTIVITIES ....

DR. C.S. KALMAN (Department of Physics)

- published two articles entitled:

i) "Charmed-Baryon Electromagnetic Mass Differences", in Lett. Nuovo Cimento 19, 403 (1977) (with Dr. G. Jakimow, chairman of UQAM Physics).

ii) "SU(1,4) as a Dynamical Group for the Mesons: Analysis of all the Discrete Representations", in Lett. Nuovo Cimento 19, 474 (1977).

ASSOCIATE PROFESSOR DAVID KETTERER (Department of English)

- presented a paper entitled "Canadian Science Fiction" at the Conference on the State of Paraliterary Studies in Canada, on September 30-October 2, 1977 at McGill University.

DR. KAZUO KUSANO (Department of Sociology)

- i) was the Dinner Speaker at the annual convention of the Buddhist Association of Eastern Canada held at the Holiday Inn, Pointe Claire, on May 22, 1977, the topic was "Societal Evolution and the Newly Emerging Religious Needs".

ii) was a panel member for the discussion of "Japanese Immigrants and the Independence of Quebec", held at Japanese Cultural Center,on September 18, 1977, under the sponsorship of the Association of New Japanese Immigrants in Greater Montreal.

DR. HOWARD I.KUSHNER (Department of History)

-

i) published a book "John Milton Hay: The Union of Poetry and Politics, Boston, G.K. Hall, Twayne, which was released on October 13.

ii) published an article entitled: "Pathology and Adjustment in Psychohistory: A critique of the Erikson Model", in Fall 1977, issue of the Psychocultural Review.

iii) was a commentator at the American Studies Association Meeting in Boston on October 30 on a session entitled "Erik Erikson and American Culture"

iv) was also a commentator at the Southern Historical Association Meeting in New Orleans, on November 9, on a session entitled "Women Missionaries in Asia".

FACULTY ACTIVITIES ...

DR. G. LECAVALIER (Department of Sociology)

i) was appointed editor and contributor to the urban sections in Robert Horn (chief-editor) of The Guide to Simulation/ Games for Education and Training, Cranford, N.J.: Didactic Systems, 1977, Vol. 1, pp. 569.

ii) "Urbadec: une simulation des décisions urbaines", Ottawa: Département d'Etat aux Affaires urbaines, 1977, p. 470.

iii) was chairperson of a session on "Urban Planning in Canada", at the meetings of the Learned Societies, Sociology Section, held at the University of New Brunswick, June 1977.

iv) presented a paper (with Patricia Fitzsimmons-Lecavalier (McGill) entitled "Citizens'Power at City Hall: A Comparison of Factors Affecting the Success of the American and Canadian Citizens' Movements", at the Meetings of the Learned Societies, Sociology Section, at the University of New Brunswick, June 1977.

v) reviewed the book of T.F. Carney, No Limits to Growth: Mind Expanding Techniques, Winnipeg: Harbeck & Associates, 1976", in Simgames, Vol. 4, No. 4, July 1977, p. 4.

vi) was a guest at an inter-nation simulation session of the Canadian School of Peace Research, Carleton University, August 24, 1977.

vii) nominated to a three-year appointment as representative of the Canadian Sociology and Anthropology Association on the Research Policy Committee of the Social Science Federation of Canada.

MR. DOMINIQUE LEGROS (Lecturer, Department of Sociology and Anthropology)

i) reviewed the book of E.P. Patterson II, The Canadian Indian: A History since 1500. The book review has been published in l'Homme: Revue Française d'Anthropologie XVII (2-3),

ii) was invited by the Inter-University Centre for European Studies to present and discuss his paper entitled "Chance, Necessity and Mode of Production"published earlier in the year by the American Anthropologist, Vol. 79, no. 1, 1977. The lecture was given on October 12, 1977.

FACULTY ACTIVITIES ...

ASSOCIATE PROFESSOR G.S. LINGAPPAIAH (Department of Mathematics)

published the following papers:

i) "On some inflated generalised discrete distributions", in Communications in Statistics, Vol. 6, No. 3, 231-241, 1977.

ii) "On the Dirichlet's Variables", Journal of Statistical Research, Vol. 11, No. 2, 1977.

ASSISTANT PROFESSOR RON MACKAY (TESL Centre)

i) presented a paper (with Alison d'Anglejan, Université de Montréal and with Maryse Bosquet, Verdun Catholic School Commission), to a seminar for the Canadian Council of Ministers of Education at Cap Rouge, Que., on October 4, 1977. The paper dealt with the evaluation of second language reading skills;

ii) published a report (with Maryse Bosquet, Verdun Catholic School), entitled "English as a Second Language: Continuing Professional Development". The report appeared in KEYNOTES, Vol. 11, No. 1, October 1977, published by the Direction générale du Développement pédagogique, Ministère de l'Education, Québec.

DR. MICHAEL J. MACLEAN (Visiting Assistant Professor, Department of Psychology)

- presented the following papers at the 6th Annual Meeting of the Canadian Association of Gerontology held in Montreal, October 13-16, 1977

i) "Adjustment to and Enjoyment of Retirement: Methodological and Research Findings";

ii) "Life Satisfaction Index - A: A misleading Measure"

DR. PATRICIA MORLEY (Associate Professor, Department of English)

- presented a paper entitled "Margaret Laurence's African Fiction", to a conference on Canadian Literature at the Sorbonne, Paris, hosted by the Centre of Canadian Studies at the University of Bordeaux, December 9-10, 1977.

FACULTY ACTIVITIES ...

DR. K.K, MUKHERJI (Associate Professor, Department of Geology)

- During his sabbatical leave, June 76 to June 77, was invited by various organizations to present the following talks:

i) "A Comparative analysis of the characteristics of bank and basin sedimentation in Western Florida Bay", at the Carbonate Facies Seminar held in Islamorada, Key West which was sponsored by the Institute of Comparative Sedimentology, Miami, Florida. (October 6, 1976). The Seminar was attended by the Amoco International Group of Exploration Geologists.

ii) "Characteristics of Florida Bay Sediments", at the Indiana University Geologists at the Fisher Island Station, on November 13, 1976.

iii) "Nature of Carbonate depositional facies in Florida and Bahama Banks", jointly sponsored by the University College of Science and Technology, Calcutta University and the Geological, Mining, Metallurgical Society of India (Feb.26,1977).

iv) "Recent Carbonate shelf sediments and their potential as future reservoir sites", talk given at the Asansol International Rotary Club, India, on March 14, 1977.

v) "Modern Carbonate shelf sediments in Florida Bay and Bahama Banks and their bearing on ancient geologic sequences", at a seminar given at the request of the Geology Department of the Aligarh Muslim University in Aligarh, N. India, on March 21, 1977.

vi) "Anatomy of an ancient Carbonate platform in the Ordovician of Southern Ontario, Canada", at Virginia Key, Miami, following the invitation of the Marine Geology Division of the Rosenstiel School of Marine and Atmospheric Science University of Miami, on April 25, 1977.

vii) "Black River rocks and their diagenesis", given at the Fisher Island station of the Institute of Comparative Sedimentology, Miami, jointly sponsored by the United States Geological Survey and Comparative Sedimentology Laboratory, May 3, 1977.

viii) was also invited to take part in the deep-sea drilling project in the tongue of the Ocean, Exuma Sound, Bahamas, on board the research vessel R/V Columbus Iselin as a senior scientist, September 1976 - 10 days.

FACULTY ACTIVITIES ...

DR. K.K. MUKHERJI (Associate Professor, Department of Geology)

- ix. attended the 3rd International Coral Reef Symposium held in Miami, May 23, 1977 to June 1, 1977 and he took part in the post-convention field trip in St.Croix, Virgin Island, U.S.A.

DR. ALEX NEWELL (Associate Professor, Department of English)

- had an article selected for translation into German and included in a volume devoted to major Hamlet criticism, from A.C. Bradley to Jan Kott. The book is entitled Hamlet-Interpretationen; it was published this year in Darmstadt, Germany. The article, entitled "The Dramatic Context and Meaning of Hamlet's 'To be or not to be' Soliloquy", was originally published in PMLA.

REV. DR. J.E. O'BRIEN (Department of Communication Arts)

- i) was invited to join the Board of Directors of the Canadian Communications Research Information Centre in Ottawa. The work of the Centre is supported by the Canada Council through the Canadian Commission for UNESCO and the research services of the CBC, CRTC, OECA and the Federal Department of Communications;

  ii) attended the first World Congress on "Audio-Visuals and Evangelization", held in Munich, in early November. As President of the North American delegation he prepared a research paper for the Congress and presented a 40 minute oral report. While in Europe he also attended international meetings in Rome and Namur.

DR. K.S. OH (Associate Professor, Department of Political Science)

- i) participated in the Second Joint Conference of Korean Political Scientists in North America and Korean Political Science Association in Korea held in Seoul, Korea, August 8-12, 1977; while at the conference he presented a paper entitled "High Tension and Social Control in North Korean Politics", which was subsequently published in the Journal of North Korea, Vol. 69, September 1977, pp. 214-225.

  ii) served as the Chairperson of the Eleventh Session on "European Democratic Ideal and the Way of Oriental Acceptance - the Case of Early Meiji Period of Japan".

FACULTY ACTIVITIES ...

DR.K.S. OH (Associate Professor, Department of Political Science)

- iii) was the discussant for the paper entitled "Pre-War Japanese Bureaucratic Imperialism".

  iv) was invited to deliver a speech on "Carter Administration and Withdrawal of American Troops from South Korea", at the International Rotary Club (Seoul and Taipei), in Seoul, on the occasion of the 32nd Commemoration of Korean Liberation, August 15, 1977.

  v) was invited to observe industrial development of South Korea and 38th parallel (Panmunjom), on August 13 to August 18, 1977.

REV. DR. C.B. O'KEEFE (Department of History)

- has been appointed to the Commission de l'Enseignement Supérieur, a commission of the Superior Council of Education.

PROFESSOR ROBIN PORTER (Department of History)

- successfully defended his doctoral dissertation for the University of London in September 1977 - the thesis title is "The Christian Conscience and Industrial Welfare in China 1920-41".

MR. DOUGLAS POTVIN (Director, Continuing Education)

- i) has completed his doctoral degree at Boston University. The topic of his dissertation was "Motivation for Participation and Perceived Benefits of Adult Part-Time Learners in a University Setting and in a Business or Industrial Setting".

  ii) has been named book review editor for the Canadian Journal of University Continuing Education.

  iii) was elected Treasurer of the Canadian Association for University Continuing Education.

FACULTY ACTIVITIES ...

DR. RONALD RUDIN (Department of History)

- successfully defended his Ph.D. thesis at York University, on October 21st 1977.

DR. G.P. SASSANO (Department of Geology)

- published a research paper entitled "The Geo-chemical Behaviour of Uranium and the Factors which influence its Transport and Deposition" in the October 1977 Issue of Geologica Tecnica Italiana, Milano, Italy.

DR. H. SCHEER (Department of Modern Languages and Linguistics)

- contributed four articles to Deutsch als Muttersprache in Kanada, Leopold Auburger, Heinz, Kloss, Heinz Rupp (eds.), Franz Steiner Verlag (Wiesbaden, 1977). The titles of the articles are:

i) "Deutsche Sprache und deutsche Kultur in der Provinz Quebec: Ein Uberblick über die Geschichte des Deutschtums in Quebec," pp. 7-13.

ii) "Deutschsprachige Theatergruppen in Kanada", pp.85-90 (three other writers contributed to this article).

iii) "Der fremdsprachliche Deutschunterricht in Quebec", pp. 103-106.

iv) "Die Mundart der Hutterischen Brüder: Ein sprachgeschichtliches Denkmal aus dem 16. und. 18. Jahrhundert," pp. 133-137.

DR. N. SERPONE (Department of Chemistry)

- published the following papers:

i) "Kinetics and mechanisms of intermolecular ligand exchange. II. Diphenyltin - and dimethyltinacetylacetonate with acetylacetone" (with T.F. Ignacz), J. Organometal. Chem., 127, 289-298 (1977).

ii) "Five-coordinate titanium (IV) complexes. Infrared spectral studies on X_3 Ti (diketonato) and XY_2 (diketonato) complexes, and the crystal and molecular structure of di-u-chlorotetrachlorobis (2,4-pentanedionato) dititanium (IV)" (with P.H. Bird, A. Somogyvari,

FACULTY ACTIVITIES ...

DR. N. SERPONE (Department of Chemistry)

- ii) and D.G. Bickley), Inorg. Chem., 16, 2381-2386 (1977).

- presented the following papers:

  iii) "On the reaction between diketones and Lewis acids" (with T.F. Ignacz), Joint American Chemical Society/Chemical Institute of Canada Annual Meeting, Montreal,Quebec, May 29-June 2, 1977.

  iv) "Excited state engineering of substituted polypyridyl chromium (III) complexes", (with M.S. Henry, and M.Z. Hoffman), Inorganic Chemistry Gordon Research Conference, held in New Hampton, N.H., August 1-5, 1977.

DR. J. SMUCKER (Department of Sociology and Anthropology)

- i) published a paper entitled "Authority and Ideology" in the October issue of The Canadian Journal of Sociology,

  ii) presented a paper entitled "Industrial Diversity and Strikes", at the annual meeting of the Canadian Association of Sociology and Anthropology held in Frederickton, New Brunswick.

PROFESSOR ROSE M. TEKEL (Lecturer, Department of Sociology)

- presented a paper entitled "Children and Religion: A Critical Review of the Research", at the annual meetings of The Society for the Scientific Study of Religion in Chicago, on October 28, 1977.

DR. MICHAEL SIBALIS (Department of History)

- presented a paper entitled "Workers' Organizations in Napoleonic Paris (1800-1815)", at the Fifth Annual Conference of the Western Society for French History held in Las Cruces, New Mexico, November 10-12, 1977.

DR. ADOLPH E. SMITH (Department of Physics)

- i) has been appointed Adjunct Associate Professor at the University of Vermont, Burlington, for the purpose of conducting solar energy research there.

DR. ADOLPH E. SMITH (Department of Physics)

ii) gave a talk to the Solar Energy Society of Canada, August meeting at Edmonton and to the Atmospheric Research Center at Albany, November 14. The topic was "Conversion of light into Electrochemical Energy by a possible prebiotic Photosynthetic System".

DR. GILBERT TAGGART (Département d'études françaises)

- a présenté une communication intitulée "Le rôle et la forme de l'image dans l'enseignement de la langue", au premier congrès franco-québécois des Gens d'Images , tenue à l'Université du Québec à Montréal, le 12 octobre, 1977.

DR. O.S. TEE (Department of Chemistry)

- presented the following papers:

i) "Mechanisms of Bromination of Pyrimidines", at the University of East Anglia, Norwich, U.K., May 5, 1977.

ii) "Mechanisms of Bromination of Pyrimidine Derivatives", at the Vth Physical Organic Mini-Symposium, University of Guelph, November 4-6, 1977.

iii) published a paper entitled "Kinetics of the Reaction of Bromine with 5-Brome-2(1H)-Pyrimidinones: Evidence for the Involvement of Covalent Hydrates", J.Org. Chem., 42, November 11, 1977, (with S. Banerjee and K.D. Wood.)

DR. ROBERT TITTLER (Department of History)

- published an article entitled "The English Fishing Industry in the Sixteenth Century: the case of Great Yarmouth", in Albion, Vol. 9, no. 1, pp. 40-60.

DR. M. VIPOND (Department of History)

i) published an article entitled: "Canadian Nationalism and the Plight of Canadian Magazines in the 1920's", in Canadian Historical Review, March 1977.

FACULTY ACTIVITIES ...

DR. M. VIPOND (Department of History)

ii) presented a paper entitled "Agatha Christie's Women" to the Conference of Canadian Group of Studies in Paraliterature, McGill University, September 30, 1977.

WE HOPE YOU HAVE HAD A HAPPY HOLIDAY SEASON. MAY WE TAKE THIS OCCASION TO WISH YOU ALL A HAPPY NEW YEAR !

The next Vice-Rector's Bulletin will be published February 15, 1978. Deadline for submissions is February 8, 1978. Please send all submissions to the following address:

Dr. D. Taddeo, Administrative Assistant to
Vice-Rector, Academic,
Bishop Court, Room 326, Block A.
